Parks Rocks!

## METRO PARKS TACOMA HACKATHON 2016

TEAM 19

CHRISTINA CHELF, JONNY STOPCHICK, SAVANNA NAGORSKI, ANDREA, JOE, SHAWN

Tacoma Rocks!

- "We paint rocks, shells and earthy things to hide around Tacoma to brighten people's day."

- Large following on Facebook and Instagram

# Parks Rocks!: The Vision

▶ Web App that people can log their hids and finds.

▶ Others can use to find new rocks

▶ Keeps track of how many a user has found/hid

▶ Awards badges and achievements for contributions

▶ Shows how many rocks are in parks as a way to invite people to visit new places

Why this is awesome:

- Engage the community in something they are already doing

- Fun for all ages

- Highlights new parks that might be less popular than the big ones

Parks Rocks!: The Tech

- ESRI's ArcGIS online

Live Demo?

- http://rawgit.com/jstopchick/metro-parks-hackathon/master/index.html

If we had more time…

- Instagram scrape for #s like #Tacoma Rocks!
- Website that shows live stats:
  - Top Parks
  - New rocks
  - Top finders
  - Top hiders
